# Campus Locations

As of 5 May 2025, all five clusters and the University's corporate office have moved to Punggol Campus. SIT's existing campuses will gradually be returned to the authorities when they are no longer needed. Punggol Campus will eventually host all programmes except those offered by The Culinary Institute of America, Singapore (CIA SG). CIA SG will continue to operate from its current location at Temasek Polytechnic.

## Corporate Profile

NHG Health is a leading public healthcare provider in Singapore recognised for its quality clinical care and its commitment in enabling healthier lives through preventive health, innovative solutions and person-centred programmes tailored to every life stage. Our integrated health system, which spans primary care, hospitals and national specialty centres, includes Tan Tock Seng Hospital, Khoo Teck Puat Hospital, Woodlands Health, Yishun Community Hospital, NHG Polyclinics, the Institute of Mental Health, National Skin Centre and the National Centre for Infectious Diseases.

Together with academic and industry partners, we advance medical education, research and healthcare innovation in Singapore, addressing areas that are critical to Singapore's population needs. As the Regional Health Manager for Central and North Singapore, NHG Health partners general practices and health and social care agencies to ensure the physical, mental and social well-being of residents in the community.

Together, we are committed to building healthier and resilient communities, and Adding Years of Healthy Life to the people we serve.
